ARIZONA CORPORATION COMMISSION

April 30, 2012

Re: Docket # W-02199A11-0329 & SW-02199A-11-0330

Fellow Commissioners:

Our offices have received over 200 e-mails, and other correspondence, from Pima Utility Company's ratepayers expressing concern about the docketed rate case. It is our view that the commissioners should conduct a Public Comment session in Sun Lakes to provide ratepayers the opportunity to speak about this issue.

We believe the ratepayers should be provided an opportunity for us to hear, directly, from them. Therefore, at the next Staff Meeting, we will ask you to approve the scheduling of a Public Comment hearing for this rate case.

Sincerely,

Brenda Burns
