OPPOSED RATE CASE

Over the course of many, many months Anthem residents have tried to make their views on the above matter known, but we have so far evidently been unsuccessful.

It is both extremely unfair and extremely unjust that we are being asked to subsidize water and wastewater use and treatment for residences and businesses that have no relationship with Anthem. Of course the beneficiaries of the monies we provide are loathe to have to shoulder their own burdens; they have enjoyed a free ride so far and want that to continue. That, however, should not figure in to your judgments on this matter. Fairness and justness need to be the order of the day.

In fairness to Anthem, and to show good faith and ethical treatment of Anthem residents, I urge you to vote CON on this docket.

Thank you for your attention.
