COMPANY: Arizona Public Service Company AGENDA ITEM NO. 1

DOCKET NO. E-01345A-11-0224 OPEN MEETING DATE: May 15, 2012

INSERT PAGE 41, LINE 20:

As to the AG-1 rate, we agree that a collaborative process should be used to develop program guidelines including the customer enrollment process. Moreover, we want to be clear that all types of eligible customers should be timely notified of the program, and that the experimental program is truly experimental by including the opportunity to participate for eligible customers from representative groups, such as schools, hospitals, non-profits as well as large commercial and industrial customers. We believe it would be helpful to the process that the implementation plan be timely docketed Therefore, we direct APS to docket the proposed guidelines prior to implementation.
