**Page 44, line 3**

**DELETE** the following paragraph:

“IT IS FURTHER ORDERED that EPCOR Water (USA) shall use the evidence gathered in both phases of this proceeding to focus on and develop the two rate consolidation scenarios ordered by Decision No. 74072. Both of the scenarios shall include a phase-in plan of EPCOR Water (USA)’s choosing that is designed to ease a gradual transition toward consolidated rates. The two rate consolidation scenarios may include partial consolidation steps which anticipate a move toward single tariff pricing over time, and which will bring long term benefits to all ratepayers.”

**Page 43, line 7**

**DELETE** the following paragraph:

“It is reasonable and in the public interest to require the Company to take the opportunity to use the evidence gathered in both phases of this proceeding to focus on and develop the two rate consolidation scenarios ordered by Decision No. 74072, and to require that both of the Company’s scenarios should include a phase-in plan of the Company’s choosing that is designed to ease a gradual transition consolidated rates, and may include partial consolidation steps which anticipate a move toward single tariff pricing over time, and which will bring long term benefits to all ratepayers.”
