This ROO is unfair and will adversely me and my neighbors. Please direct EPCOR to immediately deconsolidate the Anthem/Agua Fria Wastewater district and implement the new deconsolidated rate design. Thank you for your attention regarding this matter.

Please reject the ROO in this case and support Deconsolidation

The current systems charges Anthem residents for services not rendered. That is not only unfair and unjust, in some people's mind, it is illegal.

The community of Anthem already pays, by far, the most in the Phoenix Metropolitan Area. The current system should be revised to either deconsolidate everyone, charging each community only for the infrastructure costs that support their community, or consolidate the entire state into one common fee structure.
