RE: DII EMERALD SPRINGS DOCKET NO. WS-20794A-11-0279

WS-20794A-11-0140

Per Procedural Order April 12, 2012 I was to file a notice.

I have not filed an application at this time, but still intend to as soon as possible.

ADEQ has spoken with Jim Grimes and I about wanting more detailed data on our total flow of the wastewater treatment plant. I had assumed that this was a concern of the ACC also, so I have been concentrating on this to make sure we're not wasting the ACC's time or ours.

We now have a metering devise that ADEQ and the ACC has agreed to.

I also have a tentative planned meeting with Vickie Wallace, Nancy Scott and Marlin Scott to review my application the week May 28, 2012 and or June 4, 2012.

DATED this 23rd day of May, 2012.
