The Recommended Opinion and Order in the above-captioned matter that was mailed to you on June 21, 2012, has been corrected in the following manner:

- Page 4, footnote 11, reads: "Staff has not yet issued a Memorandum on this Motion." The footnote has been corrected to read, "Staff filed a Memorandum on June 20, 2012, recommending Commission approval of the Motion, and also recommending that the deadline for filing the rate case application should be extended to October 31, 2012."
- Page 9, line 22, a portion of the sentence reads: "except that the filing deadline should be October 1, 2012," This language has been deleted and the following clause has been added: "except that we adopt Staff's recommendation that the filing deadline should be October 31, 2012." Footnote 35 has been deleted.
- Page 12, line 7, "October 1, 2012," has been changed to October 31, 2012."

The Recommended Opinion and Order now reflects these changes.
