6/26/12: Correspondence

Dear Attorney General Horn,

The Arizona Corporation Commission needs to be investigated for their astoundingly corrupt approval South West Gas rates. These "elected" people have made South West Gas more profitable than Apple Corp.

See if any of these "elected" people own stock... or any relatives of theirs own SWG stock please investigate them.

Natural gas prices are at an all time low. ...but South West Gas Corporation is trading at an all time high mainly because the Arizona Corporation Commission continued South West Gas record high rate to charge Arizona citizens.

These people need to be investigated... and all their family members.
