Re: Docket filing for Generic Inquiry (W-00000C-06-0149)

Good Afternoon,

Chairman Pierce's office had received 172 substantially identical email communications regarding the Commission's generic evaluation of the regulatory impacts from the use of non-traditional financing arrangements by water utilities and their affiliates (W-00000C-06-0149). The emails are computer generated by AARP. Attached is a sample of the email received and a list of persons whose names were used to submit comments.

Subject: Please - Vote No on Paying Utility Owners' Personal Income Taxes

Jul 17, 2012

Commissioner Gary Pierce
1200 W. Washington - 2nd Floor
Phoenix, AZ 85007

Dear Commissioner Commissioner Pierce,

Please vote "no" on requiring water users to pay the personal income taxes owed by the owners of private water companies who have elected to organize as S corporations and LLCs.

Water is expensive enough as it is and rates for water keep going up.

It is not fair to require water users to have to pay high prices for water and also pay the personal income taxes of the owners.

The Arizona Corporation Commission voted against this issue once before.

Now is the time to vote against it once again.

Consumers should pay fair utility rates, and not one penny more.

Please vote against requiring water users to pay the personal income taxes of the water company owners who have elected to organize as S corporations and LLCs.

Thank you.

Sincerely,
