TIME/DATE PREPARED: August 9 2012

COMPANY: Mohave Electric Cooperative, Inc. AGENDA ITEM NO.: U-15

DOCKET NO.: E-01750A-11-0136 OPEN MEETING DATE: August 9, 2012

Page 10, line 6

After "proposed in this case." INSERT:
"However, in its Exceptions MEC indicated that it had inadvertently agreed to include A.A.C. R14-2-211 E(4), which requires a personal site visit before terminating service, in its proposed service rules and regulations. MEC points out that with the deployment of advanced metering technology and upgrades to its system, remote disconnections are possible and that we have previously eliminated this requirement for other utilities we regulate, like Arizona Public Service and Tucson Electric Power."
