**DOCKET NO. E-01933A-12-0296**  
**SOLAR ENERGY INDUSTRIES**  
**ASSOCIATION'S (SEIA) APPLICATION**  
**FOR LEAVE TO INTERVENE**

On July 2, 2012, Tucson Electric Power ("TEP") filed for approval of its 2013 Renewable Energy Standard Implementation Plan (the "Implementation Plan") with the Arizona Corporation Commission (the "ACC") in Docket No. E-01933A-12-0296 (the "Docket"). Arizona Solar Energy Industries Association ("SEIA"), by and through its undersigned counsel and pursuant to R14-3-105, hereby respectfully requests that the ACC issue an Order granting it leave to intervene in the Docket. In support of this Motion, SEIA states the following:

- 1) SEIA is a non-profit trade association representing local, national, and international solar companies from all industry sectors in the Arizona market;

1           2)     The Implementation Plan includes numerous provisions that will substantially and  
2 directly impact the policies, economics and mechanics of the solar business and the interests of  
3 the SEIA membership;

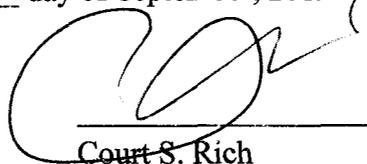

4           3)     The outcome of the Docket will directly and substantially impact SEIA and the  
5 business of its membership in Arizona; and

6           4)     Granting SEIA intervenor status will not delay this proceeding, unduly broaden  
7 the issues or prejudice TEP, and no other party can adequately represent SEIA's interests in this  
8 matter.

9           Service of all documents or pleadings should be made to SEIA counsel at the following  
10 address:
