Ref: "Proposed Rulemaking on Processing of Cooperative Utility Rate Cases
Docket # RU-00000A-12-0270"

Commissioner Kennedy:

I agree with the proposed rule to provide Electric Cooperatives an expedited process for rate-making. I have seen how expensive the drawn out the process is, and agree that it needs to be shortened and agree with the proposed rule. We also like that the provisions for member input and interaction into proposed rates remain essentially the same. I would appreciate your support.

Thank You
