(Docket No WS-03478A-12-0307)

Dear Commission Member:

We are in receipt of the information pertaining to the above subject forthcoming hearing and are personally appalled at the proposed increase of approximately 188% for wastewater service by Far west Water and Sewer Company.

They are requesting this of people/neighbors of theirs who have supported all of their entities in the area for a number of years. In our personal view, this reflects nothing short of "greed" on their part.

It should be noted also that as a "snowbird" and property owner that we pay for this service year around and only utilize it for a period of approximately six months.

In conclusion, we trust that the Commission will view this request as absurd and will make a "fair" determination for all parties involved.

Thank you.
