RE: IN THE MATTER OF THE APPLICATION OF GC PIVOTAL, LLC FOR APPROVAL OF A CERTIFICATE OF CONVENIENCE AND NECESSITY FOR TELEPHONE SERVICES (DOCKET NO. T-20787A-11-0095)

This filing is being made by Staff as requested by the Administrative Law Judge at the August 29, 2012 hearing. Staff has reviewed the September 10, 2012 filing made by GC Pivotal, LLC ("GC Pivotal") and does not take exception to the information contained in the filing.

In the last paragraph of its Notice, GC Pivotal states that it "now holds certificates or registrations in all states (except Alaska, Colorado, Florida, Nebraska, New Jersey, and Tennessee)". By this language Staff does not believe GC Pivotal intends to imply that it currently has certification in Arizona, as that is the subject of this proceeding. Staff has confirmed with GC Pivotal that neither it nor Global Capacity Group, Inc., nor Global Capacity Direct, LLC are currently providing intrastate telecommunications services in Arizona.
