Utility Company: Far West Water & Sewer, Inc.

Division: Water

Contact Name: Contact Phone

Nature of Complaint:

I am in receipt of a letter stating Far West Water & Sewer's intention to increase our sewer bill from \$21.75 per month to \$62.65. While I realize that utility companies have to increase fees on occasion, I feel that this increase is unreasonably excessive. In a time when many people are struggling to even make mortgage payments, I feel that an increase of this magnitude will put too much of a financial burden on many of the residents of the Yuma Foothills. I, for one, am a teacher, and an the proposed increase will be devastating. Far West Water & Sewer is not only taing advianage of having a monopoly in this area but also the fat that due to poor housing market, most of us are unable to sell our homes and move into the City of Yuna. I hope that the Corporation Commission will deny the request for this unfairly large fee increase.
