Nature of Complaint:

Docket No. WS-03478A-12-0307

We would like very much to protest the proposed increase in the waste water service.

Many of us in the Foor Hills are on a fixed income and are only here 5 to 6 months a year or less.

We still have to pay wether are here or not. If this request was adopted in full it would be a hardship for many of us. Meaning many would be forced to sell or move away.

A minimum increase could be understood, but to increase it 188.05% is unreal & greedy.

We would request a hearing to be held in the Yuma area so we can voice our feelings.

The residents of the Foorhills should not be held hostage for their mistakes and lack of forsite & greed.

Thank you
