OPPOSE RATE INCREASE

Dear Sir/Madam:

By the enclosed billing statement, I have been informed that an additional (a.k.a. a second phase) of the Arsenic Surcharge has been approved by you. This will increase my monthly water bill by an additional \$4.75 (aw I recall) for a total monthly fee of \$6.19 for arsenic filtering/removal. This appears to be an excessively high fee - about \$75/year/household, at this point - without, as far as I know, any term limitation.

It would certainly serve the citizens of Arizona well, if the Arizona Corporation commission could identify a requested fee increase that they are willing to reject.

Regards,
David Isquith
