Nature of Complaint:

Docket No. E-01933A-12-0291

Customer is upset as she currently pays about \$5 per month on her monthly TEP bill for Solar Energy. Customer is very adamant that those wanting Solar for their own use should pay for their solar equipment and not through the use of other customer's money. Customer is asking that the Commissioners not approve the proposed rate increase that Tucson Electric Power Company is asking for.
