Nature of Complaint:

*****Docket No. E-01933A-12-0291*****

Rate Case Opposed.

Do not feel a 12.5% increase to base rate should be allowed. Rationale is that the economy is growing at less than 2% and inflation is non-existent. How in gods green earth can the utilities expect/justify a 12.5% jump is beyond me. Additionally, they nickel and dime us to death with assessments which they are passing along which already increase the base rate.
