INSERT new Finding of Fact:

“15. We appreciate Staff’s evaluation of APS’ application, and we recognize that Staff’s recommendations in Findings of Fact 8, 9, 10, and 11 are consistent with its recommendations in APS’ 2013 REST implementation plan. However, both APS and AriSEIA have filed comments expressing concerns with portions of Staff’s recommendations in Findings of Fact 8, 9, 10 and 11 and have suggested a more careful analysis of those recommendations is needful. Accordingly, we believe it is prudent to decline to adopt those specific recommendations today. We will consider them more fully in our evaluation of APS’ 2013 REST implementation plan. Therefore, we approve APS’ application as filed, including Staff’s recommendations in Findings of Fact 1 through 7 and 12 through 14.”
