RUCO was established by the enactment of Arizona Revised Statutes, Section 40-461, *et seq.*, for the purpose of representing residential utility consumers in matters before the Commission concerning regulated public service corporations.

III.

Arizona Revised Statutes, Section 40-464.A.2., specifically provides that the Director of RUCO may do the following:

Prepare and present briefs, arguments, proposed rates or orders and intervene or appear on behalf of residential utility consumers before hearing officers and the Corporation Commission as a party in interest and also participate as a party in interest pursuant to Section 40-254 in proceedings relating to rate making or rate design and involving public service corporations.

IV.

The residential utility consumers will be directly and substantially affected by a Decision or Order of the Commission in this matter, therefore, it is necessary and proper that RUCO intervene in the proceeding.

V.

In order to fulfill its statutory obligation to protect the residential utility consumers of this State, RUCO must thoroughly examine the materials presented by the Company, and must cross-examine witnesses appearing on behalf of the Company and any other parties. Additionally, RUCO may present testimony and exhibits of its own in any hearings conducted by the Commission in this matter.
