Dear Commissioners and Judge Nodes,

11-7-2012

Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

We have lived ^(100 yds away) by the East Plant for 27 yrs
Over the last 8 yrs the odor/smell has been
progressively worse!! It is a matter of capacity
It was not designed to handle the increased load.

* We now must keep our windows and
doors closed, and the value of our property
has been significantly affected

Thank you
