**Certificate of Intervener In
Support of Discovery Motion**

BY THE INTERVENER

Undersigned Intervener certifies as follows pursuant to ARCP 37[a][2][C]:

On October 26, 2012, Intervener filed his first data request with Montezuma Rimrock. The request was sent by first class mail and was emailed to Montezuma Rimrock's email address that is commonly used in business communications, Patsy@montezumawater.com.

A copy of this email was sent to Corporation Commission staff.

On Oct. 29, 2012 at approximately 11:20 a.m., Intervener left a voice mail message on two MRWC phone numbers: 928-592-9211 and 928-300-3291, requesting that Montezuma Rimrock comply with the Data Request.

On Nov. 5, 2012, at approximately 4:15 p.m., Intervener left a voice mail message on the same two phone numbers requesting that Montezuma Rimrock comply with the Data Request.

On Nov. 5, 2012, Intervener sent a second email to Montezuma Rimrock requesting it comply with the Data Request.

Montezuma Rimrock has failed to respond to Intervener's repeated attempts to have the company respond to First Data Request.

The Court's intervention is necessary.
