Open Docket No. E-00000C-11-0328

I would like to get the smart meter off my home as soon as possible and I do not wish for it to ever taint my home again in the future. Our sleep is being affected, we have headaches and it is not being beneficial to our health. Please have your device removed from my property as we do not wish for your device to continue to affect our health.

Greg Roberson,
