Dear Commissioners and Judge Nodes,

Nov. 9, 2012
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

As residents of The Northwest section of The Boulders, we would like to add our voices to petition for the Closing of the Sewage Processing Plant which is located just about one block away from our home. The odors emanating from this plant make it almost impossible to ever leave windows open, let alone be outside. On top of that the plant is extremely noisy. We hope you will seriously consider recommending the Closing of The Boulders East Plant.

Thank you
