Dear Commissioners and Judge Nodes,

Nov. 2, 2012
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

The odors from the sewage plant are getting worse. I pass by the plant every time that I play golf on the North Course. The odor is apparent long before I arrive at the plant. I am fortunate that my home is not near the plant. I feel sorry for the homeowners who live near the plant because the odors have a definite effect on home values.

Thank you
