Dear Commissioners and Judge Nodes,

NOV. 11, 2012
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

We live 4 houses from the sewage plant and can attest to the continuing issues of odor, noise and traffic

Of these, odor is the most troublesome, and can at times be strong enough to make being outdoors very unpleasant

it seems incredible that this plant is allowed to continue operating so close to homes

Thank you
