Dear Commissioners and Judge Nodes,

11-12-12

Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

On our morning walks through Boulders, especially on Boulder Drive as you cross golf course, the smell of sewage permeates. Sometimes it gets out at night, ruining the chances of sitting out on our patio in the night. It is unbelievable to me that this beautiful community is infected by the smell of sewage. It affects residents and the poor golfers who pay thousands to stay at Boulders resort!

Thank you
