Dear Commissioners and Judge Nodes,

11/7/12
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

Yet again, over these many years, we write to
urge the closing of the sewage treatment plant in
the Boulders. In the middle of a residential community
and golf resort courses, this plant is a Public Nuisance.
It is unaesthetic (without proper landscaping) and
unhealthy (emitting ambient odor, polluting the air at
all hours of the day + night). The situation is unacceptable
and only getting worse. We strongly request immediate action.
Thank you for your consideration.
