Dear Commissioners and Judge Nodes,

November 13, 2012
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

The sewage treatment plant located in our community, The Boulders in Carefree, AZ, has been the source of obnoxious odors and noise for a number of years. The plant is old and antiquated, and the odor and noise problem continues to get worse each year. Therefore, we support the efforts of the Boulders Homeowner's Association to have the plant decommissioned and removed from our community. We urge the commissioners to support us and direct that this be done as soon as possible. Thank you for your attention to this serious matter.

Thank you
