Dear Commissioners and Judge Nodes,

The undersigned wishes to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

I fully support the actions and requests of our Homeowners Association. The conditions created by this sewer plant are totally unacceptable to civilized society.

Please, Commissioners and Judge Nodes, support our position.

Thank you for your consideration.
