To Whom it May Concern,

Docket No. WS-03478A-12-0307

We are very much opposed to the increase of 188.05% that Far West Water & Sewer, Inc. is requesting of its customers in Yuma, AZ.

It is a ridiculous amount of increase in these economic times.

We continue to get a sewer smell from time to time in our sub-division - Arroya de Fortuna. We do not feel Far West is doing near enough to curb this problem. You can smell sewer in different places all over Yuma. They obviously are either over-loaded or not treating it properly.

We will not be in Arizona at the time of the hearing, so please consider this our written complaint. We have mailed a copy of this statement to Far West Water & Sewer, Inc.
