**SUFFICIENCY LETTER**

Dear Mr. Thompson:

In reference to the above-mentioned application by Doyle Thompson ("Company") docketed on June 7, 2012, this letter is to inform you that the above-referenced application has meet **minimum** sufficiency requirements as outlined in the updated Arizona Administrative Code ("A.A.C") R14-2-602 (ACC Sewer Rules).

Since the initial minimal information requested in the July 9<sup>th</sup> Insufficiency Letter has been received, Staff will be scheduling a field inspection of the Doyle Thompson System, along with the Emerald Springs subdivision, for any changes since the Emerald Springs/Thompson inspection in August of 2011. Additionally, Staff will be issuing further follow-up data requests within the near future.

Pursuant to A.A.C. R-14-2-610, upon meeting sufficiency requirements, the Commission has 150 days for its substantive review. This includes conducting a hearing and preparing an Opinion and Order to present to the Commission at an Open Meeting.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0818 or e-mail me at vwallace@azcc.gov.

Sincerely,

Vicki Wallace
