RE: DOCKETNO. WS-03478a-12-0307  
FAR WEST WATER & SEWER, INC.

We are home owners in the Foothills of Yuma, Arizona. We wish to register our very strongest objections to the proposed wastewater increase by Far West Water and Sewer, Inc. In the filing of Docket No. WS-03478A-12-0307 Far West Water and Sewer, Inc. has filed for a residential wastewater increase from \$21.75 to \$62.65 per month, or 188.05% increase.

We request that the Arizona Corporation Commission decline this request by Far West and do not allow this 188.05% increase to pass.

The Foothills area of Yuma, Arizona is a community made up largely of retired senior citizens living in small homes, modular homes, park model units and recreational vehicles. An increase of this amount would present an enormous hardship on this entire population who are already struggling with fixed and declining incomes late in life. It would dramatically impact the ability of most of this population to remain in their homes and even in this area. Given the size of this increase, the possible resulting departure of this population from the Foothills of Yuma would in no small way impact both the City of Yuma and the County given the tax base they represent.
