OPPOSE RATE CASE

We are seasonal home owner and it is already stretching our budget just so we can have a winter home out of the cold and sonowy weather. When we bought this house in 2009 the water/sewage was in the low \$60.00, now it is up around \$95.00 and they are still wanting to raise the prices more! I know that my husband and I are not the only ones on a tight budget, when is it going to let up! It is a shame that we will be paying more for water then we do for the electric!
