Quarterly Compliance Report
Pursuant to Decision No. 67240

Docket No. SW-03576A-03-0586

15 January 2013

Pursuant to Decision No. 67240, Global Water - Palo Verde Utilities Company, Inc. (PVUC) submits the following report setting forth its compliance reporting during the past quarter for the various permits and other compliance reporting obligations associated with the operation of PVUC. PVUC received a Notice of Violation on 26 November 2012 for an unauthorized discharge. The unauthorized discharge occurred as a result of a major flooding event in August of 2012 in the Tortosa Development that infiltrated the PVUC sanitary sewer with flood water. The event was well documented and reported to ADEQ, Pinal County Health Department and the ACC. The City of Maricopa declared a State of Emergency as a result of this flood event. PVUC has complied with the licensing time frames of the NOV by providing a response to ADEQ within 30 days of issuance. PVUC requested the NOV be rescinded and supplied ADEQ with the necessary supporting documentation to justify the request. PVUC remains in compliance with all other constituents and all other permits and is waiting for the Director's decision.
