Re: *Your Letter of January 11, 2013; Integrated Resource Planning*
(Docket No. E-00000A-11-0113)

Dear Commissioner Pierce:

AEPCO only received today your letter dated January 11, 2013 requesting information on several subjects, including generation reserve capacity, off-system sales data, off-system sales outlooks, capacity factors and related information. Given several factors, including limited personnel resources as well as changes in AEPCO's membership structure over the past 12 years, we wanted to advise that the information requested will be difficult to assemble, analyze and provide.

AEPCO will respond as completely and promptly as it can, but realistically does not expect to be able to provide the data by February 1, 2013. Your understanding in this regard is appreciated.

Very truly yours,

GALLAGHER & KENNEDY, P.A.
