OPPOSE RATE CASE

We are currently paying 130.00 to 210.00 per month for our water. We have scraped up enough money each month to pay these bills. However, it will be impossible to do so if the rate increase goes through. We would be forced to move. We lost our down payment on home when the value dropped. We would have to rent an apartment. I think it would be immoral and unethical to put people out of their homes to buy Golbal Water's CEO another mansion in Phoenix. Please consider families with children like us and oppose Global Water's rate increase request. Thank you.
