RE: Docket Nos. W-0425A-12-0204 et al: February 7, 2013, 10 AM

Dear Commission Members,

I am writing about Montezuma Rimrock Water Company's proposed fee increase.

I became a customer after my well started producing large amounts of silt a couple of summers ago. Because of my address, Montezuma Rimrock Water was my only alternative to a ready source of drinking and bathing water. To date, I have been quite satisfied with the services provided.

At present, my monthly water bill is \$27.75. The proposed increase to \$57.75 is more than double what I'm now paying. I understand that cost increases are a way of life. This ignores the fact that the vast majority of monies involved in this increase apply to legal problems that Montezuma Rimrock Water has brought on itself.

I urge the Commission to deny this increase.

Thank you for your attention,
Shane Murphy
