Re: MOTION TO INTERVENE Docket No. E-00000C-11-0328

My name, address and telephone number are listed below.

I wish to intervene in the proceedings to address citizen concerns about the impact of automated utility meters. I have an interest in these proceedings as I am the Director of the Electromagnetic Safety Alliance, Inc. a nonprofit corporation registered in the State of Arizona. This organization advocates on behalf of people in Arizona whose health, welfare and rights to privacy are being adversely affected, or potentially could be affected, by the emissions from wireless digital or Power Line Communications utility meters.

I hereby certify that thirteen copies of this Notice of Intervention are being sent to Docket Control at the Arizona Corporation Commission in accordance with instructions provided to be by AZCC Utility Division Staff.

If there are other formal notifications or procedures that I am required to adhere to in successfully filing this Motion, please advise.

Sincerely,

Elizabeth Kelley, MA  
Coordinator, Arizonans for Safer Utility Infrastructure
