INSERT New Recommendation:

"In addition to the italicized language that APS proposed adding to its Plan of Administration on Page 1, under General Description, we will require APS to add the following italicized language after "when it is economical to incur those costs in making short-term off-system sales.":

*"APS shall not incur mandatory carbon emission allowance costs unless it passes those costs on to the California entities that are purchasing energy from APS. In no event shall APS incur California's carbon emission allowance costs when doing so is not an economical choice for APS' Arizona ratepayers."*

**\*\* Please make all conforming changes**
