*****SEWER*****WS-03478A-12-0307*****OPPOSED*****

We are homeowners in Yuma County foothills and customers of Far West Water and Sewer in the Foothills of Yuma, AZ. They are currently asking for a 188% increase in our sewer rated. We ask you NOT APPROVE of the increase. Our current rate sewer rate is \$21.75/month which we are forced to pay even when we are not here during the summer months. This increase would put our monthly rate at \$62.65/month. We and all of our neighbors are retired senior citizens living on fixed and declining incomes. This large increase would impact many of population resulting in a departure from the area, which would impact both the city and the county and their tax base.

*Request that you change April meeting to Yuma. We can not all afford to go to Phoenix for a meeting.
