RE: MOTION TO INTERVENE in the sale of the Town of Hopeville Well Water System by Abraham Harris III.

DOCKET NO. W-02077A-12-0493

28913 W. Pima St Angela Morales

I wish to intervene on the sale of the Hopeville Well System from Abraham Harris III to the town of Buckeye. I am resident of Hopeville, and I know that the Hopeville Well is not, nor never have been owned by one individual or created corporation. The filed Deed for the Hopeville Well does not show ownership to Abraham Harris III or any other corporation. The community of Hopeville did not request or appoint representation by Abraham Harris III during any point of the negotiation of the sale of the community well. I am requesting a complete review of the purchase documents and any listed deeds to the Hopeville Well System. The purchase document should be reviewed and Abraham Harris III name removed as the benefactor of the funds of the sale of the Hopeville Community Well. I am requesting an audience with the Arizona Corporation Commission and the Buckeye Town Hall to discuss validity of this transaction and to ensure the proper distribution of the funds upon completion of the sale of the Hopeville Water Well System is properly distributed to the community and not one specific individual.

I hereby certify that a copy of this Notice of Intervention has been mailed to Hopeville Water Company, Inc, 1415 South Palo Verde Road, Buckeye, AZ 85326.

Sincerely,

Angela Morales
