Re: Far West Water & Sewer, Inc., Docket #WS-03478A-12-0307

We submitted a fourth Data Request on January 22, 2013. Today at 6:14 AM, Craig Marks emailed the responses to all but one of the requests, saying "I should have a response to 4.1 within the next 24 hours".

In view of the fact that we did not receive the response within the 10 day time frame and are still waiting for additional information which has hindered the completion of our Direct Testimony, we need additional time to complete our Direct Testimony and have it delivered to Phoenix from Yuma.

We are respectfully requesting the court to continue the deadline for our filing of Direct Testimony by three working days.

Please note that Far West through Attorney Craig Marks, Staff through Robin Mitchell, and RUCO through Michelle Wood have all said they have no objection to the time extension.

Sincerely,

Robert Gilkey
