We only spend 3 or 4 months a year in Yuma, but we still pay sewer thru the 8 months, we are in Oregon. Why do they think they need such a huge increase? That is absurd !!

Personally, I don't understand how it's even legal to charge for services NOT even rendered when we are living in Oregon for 8 months of the year. I would be happy to sign on a class action lawsuit against this proposal. Isn't it discrimination against winter visitors?
