Subject: "freebie" pass-through on taxes that would only benefit the owners of Pima.

TO WHOM THIS MAY CONCERN:

I do not feel that we should be made to pay Pima this fee. Most of the people who live here in Sun Lakes are retired and living on a fixed income. We are those people. You have raised the cost of our water, and along with everything else that is rising, we will find it very hard to make ends meet.

Please do not allow this to happen.

Thank you

Commissioner Bob Stump,

Please do not approve any ACC policy requiring water users to pay income taxes from the sales of water owed by the owners of private water companies.

Water is expensive enough as it is and rates for water keep going up. It is not fair to require water users to have to pay high prices for water and also pay some of the income taxes of the owners.

The Arizona Corporation Commission voted against this issue once before. That was the right thing to do then and it is the right thing to do now.

Consumers should pay fair utility rates, and not one penny more.

As an elected official, I'm asking you to please vote against requiring water users to pay some of the income taxes of the water company owners.

Thank you.

Sincerely,

Mr. Vincent Ercolani

PS: Are you kidding me! Pay someone else's taxes. Are you like most politicians looking for a job with the water companies after you give them this ridiculous tax break! Only in greedy America or a repressed dictatorship country could this happen.
