I live in Sun Lakes, AZ, where our water and sewer company is Pima Utility, a privately owned entity. I'm writing to urge you Commissioners not to approve a proposal that would charge rate payers like me for the income tax of the owners of utilities like pima. They should pay their income tax like everyone else. Thank you for stopping such a mistaken proposal.

Ms. Bitter-Smith,

I am a SunLakes resident and wish to voice my concern and opposition to the plan to allow Pima Water Co. to require customers to help shareholders in a private utility company with the income taxes on their profits.
