OPEN MEETING AGENDA ITEM W-00000 C-06-0149

Feb 6, 2013

Bob Stump  
1200 W. Washington - 2nd Floor  
Phoenix, AZ 85007

Commissioner Bob Stump,

Please do not approve any ACC policy requiring water users to pay income taxes from the sales of water owed by the owners of private water companies.

Water is expensive enough as it is and rates for water keep going up. It is not fair to require water users to have to pay high prices for water and also pay some of the income taxes of the owners.

The Arizona Corporation Commission voted against this issue once before. That was the right thing to do then and it is the right thing to do now.

Consumers should pay fair utility rates, and not one penny more.

As an elected official, I'm asking you to please vote against requiring water users to pay some of the income taxes of the water company owners.

Thank you.

Sincerely,

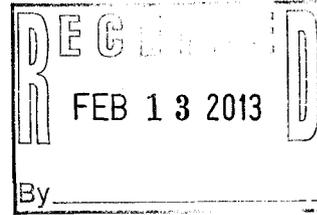

Mr. Lewis Williams

Arizona Corporation Commission

Commissioner Stump,

Please do not approve any ACC policy requiring water users to pay income taxes from the sales of water owed by the owners of private water companies.

Water is expensive enough as it is and rates for water keep going up. It is not fair to require water users to have to pay high prices for water and also pay some of the income taxes of the owners.

The Arizona Corporation Commission voted against this issue once before. That was the right thing to do then and it is the right thing to do now.

Consumers should pay fair utility rates, and not one penny more.

As an elected official, I'm asking you to please vote against requiring water users to pay some of the income taxes of the water company owners.

Frankly, those demanding this are crazy. I am sure you do not want to be included with them.

Thank you.

Sincerely,

Mrs. Cathrine Goldberg

**Subject:** charging rate payers for income taxes of owners

I live in Sun Lakes, AZ, where our water and sewer company is Pima Utility, a privately owned entity. I'm writing to urge you Commissioners not to approve a proposal that would charge rate payers like me for the income tax of the owners of utilities like Pima. They should pay their income tax like everyone else. Thank you for stopping such a mistaken proposal.

**Subject:** 'Pass-Through' Proposal

Commissioners:

I cannot attend today's session of the Corporation Commission, but I want you to know that I strenuously object to any action that would allow utilities, such as my supplier Pima Utility, to transfer income-taxes expenses on dividends or other profits from the utility owners or shareholders to its customers. It seems pretty obvious to me that those who profit from a business enterprise should pay the taxes on those profits.

I believe the issue is item 16 on today's agenda -- W-00000C-06-0149.

Please include this objection in the permanent record of your meeting.

Sincerely,

Bill Gates

**Subject:** What/ Again!

If at first you can't stick it to the people, try, try again.! You seem determined to make the customers of Pima pay the taxes of the owner, Mr. Robson. This hardly seems to be the American Way--but it surely is the Republican way of getting more wealth to those who do not need the handout. Do you really think it is fair to make the people who provide the wealth of the owner also pay his taxes? If "yes" is your answer, then you surely have no business pretending to represent "the people". Why not simply rename your commission "The E.J. Robson Tax Relief Commission". I can even suggest a motto, "We stick it to his customers".

We are watching!

Tom Amrhein

Resident of Sun Lakes
