CORP COMMISSION
DOCKET CONTROL

DATE: February 22, 2013

RE: UNS ELECTRIC INC.'S 2012 RENEWABLE ENERGY STANDARD
IMPLEMENTATION PLAN (DOCKET NO. E-04204A-11-0267)

UNS Electric Inc.'s ("UNS") 2012 Renewable Energy Standard Implementation Plan was approved by the Commission in Decision No. 72738 on January 18, 2012.

In Decision No. 72738, the Commission ordered UNS to work with Arizona Public Service Company and Tucson Electric Power Company to form a REST Format Working Group

IT IS FURTHER ORDERED that the formation of the REST Format Working Group as discussed herein is approved. UNS Electric Inc. shall submit the Working Group's report and recommendations by September 1, 2012, for Staff approval.

UNS participated in a Working Group with Arizona Public Service Company and Tucson Electric Power Company and submitted the Working Group's Report, entitled "UNS Electric, Inc.'s 2012 Renewable Energy Standard and Tariff Format Report" to Docket Control on August 31, 2012.

Staff has reviewed the REST Format Working Group Report and finds that it is consistent with the intent of the Commission Order. Therefore, Staff approves the REST Format Working Group's Report and the proposed formats for future REST Implementation Plans and Compliance Reports.
