2/20/13: Public Meeting

I am a renter of a RV space lot in Foothills AZ. The rent is reasonable for my retirement income of only 20k/year. An increase in these rates of such a large scale is not morally right. I understand that the two female owners are filthy filthy rich. Fix the existing sewer system. The over use of chemicals has made me sick. I broke out in hives on the 4th hole of the par 3 golf course. It smells badly! I went home to take 2 benedryl pills, hives all over my body. The owners have enough money to get this fixed and monitored properly without raising rents & etc. for their own pockets and not fixing the existing problem.
